

## SWIM LESSON AGREEMENT

*Thank you for enrolling in our Swim Lesson program!*

Payment by cash, check or credit (5% fee applied for credit payments) is due at the time of registration. If the registration is not in person, then payment is due the first day of lessons before the student enters the water. We will not hold a space if the lesson is not paid for. Your child will be able to enter the water when the lesson is paid for and the Swim Lesson Agreement is signed. If you want to transfer the student's payment and enrollment to another session, a 5 day notice must be given in order to transfer. No Refunds.

Hold on to your receipt! Receipts are only given at sign-up time and cannot be reproduced at a later date.

All sales are final, no refunds and no makeups (makeups only if Warm Springs Cabana Club cancels a class).

The Warm Springs Cabana Club and its employees are not responsible for any injuries that occur during swim lessons. By signing this form you are giving up your right to make any legal claims against the Cabana Club or the employees of the Cabana Club.

Both member and non-members must abide by the Warm Springs Cabana Club General Pool Rules and respect the authority of the swim instructors, lifeguards, and MSAs. Any parental/guardian concerns or questions MUST be directed to the employee working in the clubhouse. Please do not disrupt the lessons with questions.

Due to drought inside showers are off. Please limit outside shower time to less than two minutes.

Photos are allowed on the last day of the session for group lessons. Otherwise, no recording or photos are allowed as it is distracting to the lessons.

Swim lessons are not reimbursable through your company's Flexible Spending program. If you believe that your company may cover this, please have your HR Administrator contact: [treasurer@warmspringscabanaclub.com](mailto:treasurer@warmspringscabanaclub.com)

**For Private Lessons Only:** Lessons are arranged directly with the instructor and are available Monday-Thursday. Lessons must be taken in the summer that they are paid for. They may be purchased by a family and distributed to its immediate family members. Semi-private lessons are only allowed for immediate family members. Lessons begin at the scheduled time and the instructor cannot make-up the time if the student is late. To reschedule a class, 24 hours' notice must be given, but there is no guarantee that the make-up class will be arranged. Send an email to [vicepresident@warmspringscabanaclub.com](mailto:vicepresident@warmspringscabanaclub.com) or contact the instructor directly to give notice. If notice is not given and a lesson is missed, it will count toward your paid lessons. WSCC has to pay the instructor that showed up even in the event of a "no-show." Photographs/recordings may be taken only of your child and the instructor from the edge of the pool.

**Non-members Lessons:** Only students are allowed in the pools with his/her instructor during assigned swim lessons. Non-member students may enter the facility 10 minutes prior to the lesson (wait for the lesson to begin before entering pool) and must vacate the facility immediately after the lesson. Non-members are not permitted use of the facilities unless accompanied by a member as a paid, signed in guest.

Thank you for your cooperation.
